

# Falls

- Make sure TV's are on a stand that fits and that they are secured to the wall or cabinet.
- Make sure trampolines are set up on a flat surface with bark or mulch underneath.
- Baby walkers are not recommended for use.
- Make sure all drawers and bookshelves are secured to the wall using brackets or anchors so that they do not tip over.
- Bunk beds are not recommended for use with children under 9 years old.
- Never leave a little one on their own on a change table.
