

AMPLIFYING IMPACT THROUGH REACH AND EXCELLENCE: Kidsafe Victoria Strategic Plan 2019 - 2022

Over the coming years, our focus is on amplifying impact through reach and excellence, underpinned by a sustainable organisation. Increasing our revenue and optimising our resources will enable us to scale, innovate and be even more effective. We will collaborate to drive impact, leveraging our own strengths and those of partners. We will use different modalities, such as digital channels and face-to-face engagement, to enable us to provide the right information to the right people at the right time. We will remain focussed on high impact at all times.
