

# NATIONALLY RECOGNISED FIRST AID COURSES

Accredited training courses are offered by LivCor RTO 3586 and delivered under a third party agreement by Emergcare.

# HI! WE ARE HENDRIK AND DANIEL.

- We are the Directors of Emergcare, a first aid and education provider that has been saving lives through education since 1991.
- We are Registered Paramedics with over 25 years of clinical experience between us.
- We are passionate about delivering innovative and engaging education for communities and workplaces.

# WHAT WE DO

We help create safer workplaces and communities by delivering CPR and first aid training throughout Victoria, equipping all participants with lifesaving skills and education.

Emergcare provides accredited CPR and first aid training for businesses and organisations throughout Victoria. Our experienced educators have trained staff and groups in metropolitan and regional areas from a diverse range of industries including primary and secondary schools, kindergartens, freight companies, and sporting clubs. We are experts at tailoring your learning experience to ensure that your team of staff or group are engaged, educated, and empowered with the skills and confidence to respond in an emergency and help save a life.

# NATIONALLY RECOGNISED FIRST AID TRAINING

Emergcare delivers nationally recognised CPR and first aid training for businesses and organisations. All training is aligned with the Australian Resuscitation Council (ARC) National Guidelines and adheres to the Australian Skills Quality Authority (ASQA) requirements.

All of our accredited training courses are offered by National First Aid RTO 3981 and delivered under a third party agreement by Emergcare.

# POPULAR COURSES

## **PROVIDE CARDIOPULMONARY RESUSCITATION HLTAID009**

Learn the skills and knowledge required to respond to breathing and cardiac emergencies and to perform effective CPR in line with the Australian Resuscitation Council (ARC) National Guidelines.

## **PROVIDE FIRST AID HLTAID011**

Learn the skills and knowledge required to provide a first aid response, life support, management of casualty(s), the incident and other first aiders, until the arrival of medical or other assistance.

## **PROVIDE AN EMERGENCY FIRST AID RESPONSE IN AN EDUCATION & CARE SETTING HLTAID012**

Learn the skills and knowledge required to provide a first aid response to infants, children and adults. This course is relevant to educators and support staff working within an education and care setting who are required to respond to a first aid emergency, including asthmatic and anaphylactic emergencies.

# OUR SERVICE

## **Emergcare will:**

- Deliver accredited CPR and first aid training within your workplace or preferred venue
- Provide all training equipment for your staff or group
- Ensure all training meets COVID-19 requirements and protocols
- Ensure your business or organisation is compliant by offering annual CPR refreshers and first aid courses every 3 years as required by law
- Provide ongoing support for all of your first aid and training requirements (including first aid kits and supplies)
- Answer any questions you may have - we're here to help!
