

Child Car Restraint Fitting Education Sessions for Community Organisations

delivered by Kidsafe Victoria

Kidsafe Victoria offers 2-hour child car restraint fitting education sessions for staff of community organisations which is run at the organisation's premises using their child car restraints.

Sessions Include:

- 45 minutes of theory - child car restraint road rules, the types of restraints, common misuse issues etc.
- 1 hour 15 minutes of practice: participants getting hands-on experience in fitting restraints into vehicles.

Group Sizes:

- Maximum 10 participants per session.
- If you have more than 10 participants, or not all participants can make the same date, an additional session may be required.

Organisations to Supply:

- Audiovisual (AV) equipment for theory component.
- Minimum 2 vehicles to conduct practical component
- Safe area to conduct 'hands on training' (eg. organisation's car park)
- Child car restraints for practical component: 1 x capsule, 1 x rear facing child car restraint, 1 x forward facing child car restraint, 1 x booster seat

Fees:

- Investment of \$495 + GST per session*
 - Subsidies under the Victorian Community Road Safety Partnership Program available (conditions apply)
- Travel costs for facilitator may apply
