

Safe Travel Day

Grab a gold coin and get those steps in early by walking, riding or rolling to school. Encourage school families to spark the conversation about being responsible, safe road users as they click on that helmet for their ride and take care around driveways as they walk some or the whole way to school.

About Kidsafe Victoria:

Kidsafe Victoria seeks to create a safer world for kids at home, on the road, around water and at play.

We are an independent, non-profit, organisation dedicated to the prevention of unintentional death and injury to children through education, advocacy and research. Find out more about joining us in creating that safer world for your little ones.
